OFFICIAL STATEMENT

To: General Public
From: Management of St. Anthony Grammar School (Private), Esure, Ijebu Imusin
Subject: Disclaimer: Case of Immorality among St. Anthony Grammar School (Public) Students

The Management of St. Anthony Grammar School **(Private)**, Esure, Ijebu Imusin, wishes to address a recent gang rape incident involving students of St. Anthony Grammar School **(Public)**, Esure, Ijebu Imusin. The incident allegedly occurred between 19th and 20th November 2024.

We would like to categorically state and clarify that St. Anthony Grammar School **(Private)** and St. Anthony Grammar School **(Public)** are two separate and distinct institutions, with different administrations and operational models even as they bear similar names.

For the sake of clarity, **St. Anthony Grammar School (Private) is a Catholic Church-run institution**, renowned for its high standards of ethical practices, moral discernment, and academic excellence.

St. Anthony Grammar School (Public) on the other hand, is government-run and quite distinct from St. Anthony Grammar School **(Private).** We believe that the management of this government-run school does her best too in the formation of their students.

However, it is pertinent to note and clarify that the sad event of the alleged gang rape was a situation that occurred among students of St. Anthony Grammar School **(Public)** and did not involve any students of St. Anthony Grammar School **(Private)**

We urge the public to be aware of the distinction between the two schools and to refrain from making assumptions or generalizations that are improper to our esteemed institution, St. Anthony Grammar School **(Private).**

We express our deep sentiments of concern for the victim of this ugly incident. We pledge solidarity in the pursuit of justice for the victim as we pray for the conversion of heart for the young boys who perpetrated such an unspeakable evil. It is our hope that both institutions, government, other stake holders and indeed the general public will continue to work for the proper formation of our young ones especially in these times of very challenging moral crisis in our society.

Thank you for your understanding and cooperation.

Sincerely,

ST. ANTHONY'S GRAMMAR SCHOOL (PRIVATE) * P.O. BOX 62 ESURE IJEBU-IMUSIN * PRINCIPAL
